Bellevue Public Library

**J**oin a group of people who love libraries and share your passion for books and learning. Join fellow library enthusiasts to get involved in supporting the Bellevue Public Library by planning and volunteering at programs and special events. The Friends look forward to meeting you!

## What Do the Friends Do?

Friends concentrate on the FUN in fundraising, assist with programs and events, and sponsor special programs for children, teens, adults, and seniors. Friends are the extra hands and energy that connect the community to the library. They provide new ideas and advocate for the library and its services.

The Friends group fulfills the special needs of the library which are NOT funded by the city.

**Junior Friends** - Friends are a group of young volunteers who are coordinated by the Children's Librarian.

**Mission** - Enrich the Bellevue Public Library.

**Vision** - Be the premier library support organization in the area, working collaboratively with the Bellevue Public Library staff, the Library Board, the Foundation, all public library users and supporters across the city.
